Mission Statement

My mission, my passion and the spiritual directives given to me in 1995 and shared by my wife Danielle and a preferred group of highly qualified, like-minded professionals, is from the sales of this book, to establish a healing center for the unfortunate and underprivileged children with terminal illnesses, who are otherwise destined to die.

These so called “terminal diseases” like cancer, childhood diabetes and asthma are all curable, yet tens of thousands of innocent children die. Imagine the grief and sorrow of a family who loses a child and the happiness we could give to them through this healing center.

Over the years, I have been encouraged by my television viewers, doctors and authors to share the knowledge my Lord has given me to write a book on how to overcome diseases. I seized the opportunity and saw a way to raise the millions of dollars required for building such a center. I wrote this book to accomplish two equally important idealisms.

One, to help change the way Americans look at and treat disease by introducing them to the many alternatives available to them, and two, to sell millions of copies which will provide the finances required to build and operate a free healing center open to all God’s children.

I have no interest in yachts and fancy cars, all the money this book makes will be donated to opening this much needed health haven. I urge you to support our effort and together we can save hundreds of thousands of innocent lives and our ailing nation.

The wealth and strength of a nation is dependent on the health of the nation. May Gods richest blessings be with those who have faith and compassion.

Basil Gold

A Note from the Author

My Many thanks to friends & viewers over time who requested a book and for all the encouragement I received from my Medical colleagues. You made my efforts worthwhile. A special thanks to my wife, Danielle Rutherford for her never ending encouragement and endearing dedication to my work and that of The Lord, whose path we walk together, hand in hand. Thank you for the many late hours and research Danielle. Our primary reward will be witnessing the relief of sufferers, as we so much desire. Thank you Pierce Beneke for your five years of help, ideas and constant encouragement; and thanks to the financiers for their desire to see this book in every household and for making it happen.

There are those who will try to stop this information from getting out, but The Almighty will prevail:

Psalm 34: Vs 17. The righteous cry and The Lord heareth, and delivereth them out of all their troubles.

Psalm 34: Vs 19. Many are the inflictions of the righteous but The Lord delivereth him out of them all.

A Note from Danielle

I have truly been blessed and touched by God's magic wand for bringing me to Basil and being able to share in his daily teachings and the God-given knowledge that has been bestowed on him, so that I too may help others help themselves. May you too be
